## **INFORMATION CIRCULAR**

*(as at April 3, 2023 unless indicated otherwise)*

**This Information Circular is furnished in connection with the solicitation of proxies by the management of Batero Gold Corp. (the “Company”) for use at the annual general and special meeting (the “Meeting”) of its shareholders to be held on May 11, 2023 for the purposes set forth in the accompanying notice of the Meeting (the “Notice”).**

In this Information Circular, references to the “Company”, “we” and “our” refer to Batero Gold Corp. The “board of directors” or the “Board” refers to the board of directors of the Company. “Common Shares” means common shares without par value in the capital of the Company. “Batero Shareholders”, “Shareholders” and “shareholders of the Company” refer to the shareholders of the Company. “Registered Shareholders” means Shareholders whose names appear on the records of the Company as the registered holder of Common Shares. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

### **IMPORTANT INFORMATION WITH RESPECT TO THE VIRTUAL MEETING**

The Meeting will be held in a virtual-only format conducted via live webcast online. The virtual-only format will mitigate risk to the health and safety of our communities, Shareholders, and other stakeholders. In addition, the virtual format permits a broader base of Shareholders to participate in the Meeting, regardless of their geographical location compared to an in-person meeting only.

Although the Meeting will be held virtually, Shareholders will be afforded the same opportunities to vote and ask questions at the Meeting as they would at an in-person meeting. Shareholders can participate online using their smartphone, tablet or computer. Registered Shareholders and Beneficial Shareholders who have duly appointed themselves as proxyholder and registered their appointments with Computershare Investor Services Inc. (“**Computershare**”) will be able to listen, ask questions, and vote, in real time, during the Meeting, provided they are connected to the internet and properly follow the instructions below.

Shareholders will be able to ask questions immediately before and during the Meeting by typing their question into the “chat” tab of the virtual meeting platform. Shareholders may also submit their questions in advance by sending them by email to Ivo Alfonso Bravo via email at [ibravo@cmh.com.pe](mailto:ibravo@cmh.com.pe) no later than 11:00 a.m. (EST), on Tuesday, May 9, 2023. Questions relating to the business of the Meeting will be answered during the Meeting while all other questions will be addressed following the Meeting. Notwithstanding the above, to ensure the Meeting is conducted in a manner that is fair to all Shareholders, the Chair of the Meeting may exercise discretion in responding to the questions, including the order in which the questions are answered, the grouping of the questions and the amount of time devoted to any question. In addition, similar questions may be aggregated by the Chair.

Attendees are recommended to log in at least thirty minutes before the Meeting starts. It is important that Shareholders remain connected to the internet at all times during the Meeting in order to vote.

**Registered Shareholders and Beneficial Shareholders who have duly appointed themselves as proxyholder and registered their appointments with Computershare, may join the Meeting by sending a request to Ivo Alfonso Bravo via email at [ibravo@cmh.com.pe](mailto:ibravo@cmh.com.pe) at least 24-hours prior to the Meeting, and a link to the virtual Meeting and a contact for a technical support person will be provided by email prior to the Meeting.**

Voting on all matters will be conducted by show of hands during the Meeting or by poll if requested. For further information, see “*Voting Securities*” below. If you have already voted by proxy, it is important that you do not vote again during the Meeting unless you intend to change your initial vote.

As always, we encourage Shareholders to vote their Common Shares prior to the Meeting by following the voting instructions in this Information Circular.

**Those Shareholders who do not receive voting materials ahead of the Meeting should contact their broker or Computershare Investor Services Inc., the Company’s transfer agent, to receive voting authorization.**

We also encourage Registered Shareholders or appointed proxyholders to check our website one week prior to the date of the Meeting for updates.

## **GENERAL PROXY INFORMATION**

### **Solicitation of Proxies**

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to Beneficial Shareholders held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

### **Appointment of Proxyholders**

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy (who is not required to be a shareholder), to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

### **Voting by Proxyholder**

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

**In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the nominees of management for directors and auditors as identified in the Proxy.**

### **Registered Shareholders**

Registered Shareholders (a shareholder whose name appears on the records of the Company as the registered holder of Common Shares) may wish to vote by proxy whether or not they are able to virtually attend the Meeting. Registered Shareholders who choose to submit a Proxy may do so by:

- (a) completing, dating and signing the Proxy and returning it to Computershare, by fax within North America at (866) 249-7775 and outside North America at (416) 263-9524, by mailing the Proxy to 8th Floor, 100 University Avenue Toronto, Ontario, M5J 2Y1, or by hand delivering the Proxy at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9; or
- (b) using a touch-tone phone to transmit voting choices to the toll-free number given in the Proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed Proxy for the toll-free number and the Proxy access number; or
- (c) via the internet at Computershare's website, [www.investorvote.com](http://www.investorvote.com). Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy for the Proxy access number,

in all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or any adjournment or postponement thereof at which the Proxy is to be used.

### **Beneficial Shareholders**

**The following information is of significant importance to Beneficial Shareholders (a shareholder who do not hold Common Shares in their own name).** Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms), and, in the United States of America (the "**United States**" or the "**US**"), under the name of Cede & Co. (the registration name for The Depository Trust Company, which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of Shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders – those who object to their identity being made known to the issuers of securities which they own (called "**OBOs**" for "**Objecting Beneficial Owners**") and those who do not object to the issuers of the securities they own knowing their identity (called "**NOBOs**" for "**Non-Objecting Beneficial Owners**").

### ***Non-Objecting Beneficial Owners***

The Company is relying on the provisions of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* that permit it to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (“VIF”) from Broadridge Financial Solutions Inc. (“**Broadridge**”). The VIF is to be completed and returned to Broadridge as set out in the instructions provided on the VIF. Broadridge will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs they receive.

These security holder materials are being sent to both registered and non-registered owners of the Common Shares of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for: (a) delivering these materials to you; and (b) carrying out your voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

### ***Objecting Beneficial Owners***

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The Proxy supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge in Canada and in the United States. Broadridge mails a VIF in lieu of the Proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company, and who can be you) other than any of the persons designated in the VIF to represent your Common Shares at the Meeting. To exercise this right, insert the name of the desired representative, who may be you, in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge in accordance with its instructions well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.**

### **Notice to Shareholders in the United States**

This solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and the securities laws of applicable provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of applicable provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of applicable provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (the “**Business Corporations Act**”), as amended, and its directors and executive officers are residents of countries that, and a substantial portion of its assets and the assets of such persons, are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

### **Revocation of Proxies**

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Computershare at the address set forth in the Proxy, or to the Company at the address of the registered office of the Company at Suite 230, 2 Toronto Street, Toronto Ontario, Canada, M5C 2B5, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned or postponed, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) virtually attending the Meeting and voting the registered shareholder’s Common Shares.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

### **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

To the best of the Company’s knowledge, except as otherwise disclosed herein, no person who has been a director or executive officer of the Company at any time since the beginning of the Company’s last completed financial year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors or the appointment of auditors.

Directors and executive officers of the Company may, however, be interested in the adoption of the New Option Plan (as defined below) as detailed under “*Particulars of Matters to be Acted Upon – Adoption of the New Option Plan*,” as such persons would be entitled to participate in the New Option Plan.

### **VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

#### **Record Date**

The Board has fixed April 3, 2023 as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either: (a) virtually attend the Meeting; or (b) complete, sign and deliver a Proxy in the manner and subject to the provisions described above, will be entitled to vote or to have their Common Shares voted at the Meeting.

## Voting Securities

The Company's authorized share capital consists of an unlimited number of Common Shares without par value, and an unlimited number of preferred shares without par value. The Common Shares are listed for trading on the TSX Venture Exchange (the "TSXV") under the symbol "BAT". As of April 3, 2023, there were 115,182,383 Common Shares and no preferred shares issued and outstanding. The quorum for the transaction of business at the Meeting is at least one person who is, or who represents by proxy, one or more Shareholders who, in the aggregate, hold at least 5% of the Common Shares entitled to be voted at the Meeting.

Subject to any special rights or restrictions attached to any shares (and to restrictions imposed on joint Shareholders): (a) on a vote by a show of hands, every person present who is a shareholder or proxy holder and entitled to vote on the matter has one vote; and (b) by poll, if requested, every shareholder entitled to vote on the matter has one vote in respect of each Common Share entitled to be voted on the matter and held by that shareholder and may exercise that vote either in person or by proxy. If there are joint Shareholders registered in respect of any share: (a) any one of the joint Shareholders may vote at any meeting of Shareholders, personally or by proxy, in respect of the share as if that joint shareholder were solely entitled to it; or (b) if more than one of the joint Shareholders are present at any meeting of Shareholders, personally or by proxy, and more than one of them votes in respect of that share, then only the vote of the joint shareholder present whose name stands first on the central securities register in respect of the share will be counted. No group of Shareholders of the Company has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

To the knowledge of the directors and executive officers of the Company, the only person or company that beneficially owned, directly or indirectly, or exercised control or direction over, Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company as at April 3, 2023 was:

| <u>Shareholder Name</u>    | <u>Number of Common Shares Held</u> | <u>Percentage of Issued and Outstanding Common Shares</u> |
|----------------------------|-------------------------------------|-----------------------------------------------------------|
| Michelle Navarro-Grau Dyer | 27,986,400 <sup>(1)(2)</sup>        | 24.3%                                                     |

Notes:

1. 13,493,200 of the Common Shares held by Ms. Dyer are held by Seymour Business Company Inc. a company beneficially controlled by Ms. Dyer.
2. 1,105,200 of the Common Shares held by Ms. Dyer are held by Thatagata Investments Corp. a company beneficially controlled by Ms. Dyer.

## VOTES NECESSARY TO PASS RESOLUTIONS

Except as otherwise disclosed herein, a simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

## PARTICULARS OF MATTERS TO BE ACTED UPON

### Presentation of Financial Statements

The audited consolidated financial statements of the Company as at and for the financial year ended August 31, 2022 (the “**Financial Statements**”), together with the auditor’s reports (the “**Auditor’s Report**”) thereon will be presented to Shareholders at the Meeting, but no vote thereon is required. The Financial Statements, Auditor’s Report and related management’s discussion and analysis are available under the Company’s profile on SEDAR at [www.sedar.com](http://www.sedar.com).

### Fixing the Number of Directors

The Board of Directors presently consists of three (3) directors and management proposes, and the persons named in the accompanying Proxy intend to vote in favour of, fixing the number of directors for the ensuing year at three (3).

**In the absence of instructions to the contrary, proxyholders intend to vote the Common Shares represented by each Proxy, properly executed, FOR fixing the number of Directors at three (3) for the ensuing year.**

### Election of Directors

The current directors will cease to hold office immediately before the election of directors at the Meeting. Unless the director’s office is vacated earlier in accordance with the provisions of the Business Corporations Act or the terms of the articles of the Company (the “**Articles**”), each director elected at the Meeting will hold office until immediately before the election of directors at the next annual general meeting of Shareholders, or, if no director is then elected, until a successor is elected, or until he otherwise ceases to hold office under the Business Corporations Act or the terms of the Articles.

None of the proposed nominees for election as a director of the Company are proposed for election pursuant to any arrangement or understanding between the nominee and any other person or company, except the directors and senior officers of the Company acting solely in such capacity.

Each of the three (3) director nominees have agreed to stand for election. If, however, one or more of them should become unable to stand for election, it is likely that one or more other persons would be nominated for election at the Meeting. Although management is nominating three (3) individuals to stand for election, the names of further nominees for directors may come from the floor at the Meeting.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT EACH SHAREHOLDER VOTE “FOR” THE ELECTION OF THE NOMINEES SET OUT BELOW AS DIRECTORS.** Unless authority to do so with respect to one or more directors is withheld, the persons designated as proxyholders in the accompanying Proxy intend to vote the Common Shares represented by such Proxy, properly executed, **FOR** the election of each of the nominees set forth in the disclosure below.

The Company’s management does not contemplate that any of the nominees below will be unable to serve as a director, but if that should occur for any reason prior to the Meeting, it is intended that discretionary authority will be exercised by the persons designated in the accompanying Proxy to vote the Common Shares represented by such Proxy, properly executed, **FOR** the election of any other person or persons in place of any nominee or nominees unable to serve, unless authority to do so with respect to the nominee or nominees unable to serve is withheld.

## STATEMENT OF CORPORATE GOVERNANCE

### General

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the Shareholders. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of the Company and Shareholders and help to contribute to effective and efficient decision-making.

The Company has adopted corporate governance policies, codes and charters, including the Audit Committee Charter, a Compensation and Corporate Governance Committee Charter, a Code of Business Conduct and Ethics and a Corporate Disclosure Policy, all of which are available on the Company's website at [www.baterogold.com](http://www.baterogold.com).

### Constitution and Independence of the Board

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

Ernesto Bendezu and Juan David Uribe are independent members of the current Board. Gonzalo de Losada is not independent as he is an executive officer of the Company. The Board facilitates its independent supervision over management by holding periodic Board meetings to discuss the operation of the Company and by ensuring representation on the Board by directors who are independent of management.

### **Directorships**

In addition to the Company, Gonzalo de Losada and Ernesto Bendezu are currently directors of Antioquia Gold Inc., a company listed on the TSXV. Other than Gonzalo de Losada and Ernesto Bendezu, no current directors of the Company are also directors of other reporting issuers (or the equivalent).

### **Orientation and Continuing Education**

The Company does not provide a formal orientation or education program for new directors. However, any new directors will be educated about the nature and operation of the Company's business, current issues, corporate strategy and the role of the Board, its committees and its directors by the current directors and senior officers of the Company.

The Board encourages directors to participate in continuing education opportunities in order to ensure that directors maintain or enhance their skills and abilities as directors, and maintain a current and thorough understanding of the Company's business.

### **Ethical Business Conduct**

The Board has adopted a written Code of Business Conduct and Ethics, which is included in the Company's Corporate Governance Manual. The Company's Code of Business Conduct and Ethics clearly sets out the Company's standard requirements for honest and ethical conduct of its management and employees pertaining to conflicts of interest, timely disclosure, compliance with the law and accountability. The Code of Business Conduct and Ethics also clearly states the Company's requirements for fair dealing, and its corporate position on conflicts of interest and corporate opportunities and gifts, confidentiality and corporate assets, intellectual property, reporting and the effects of violations.

The Board has a number of procedures in place designed to ensure that directors exercise independent judgment in a matter where a director or officer has a material interest. In the limited circumstances where such an interest arises, the relevant director must declare his interest and refrain from voting, and the Compensation and Corporate Governance Committee considers the transaction in advance of its consideration by the Board.

### **Nomination of Directors**

The Board's Compensation and Corporate Governance Committee periodically reviews the size of the Board and any possible requirement for an increase or decrease in members of the Board. It also recruits and reviews candidates for the position of director and selects the most appropriate for submission to the Board as a whole for consideration as a potential director nominee.

### **Compensation and Corporate Governance Committee**

The Compensation and Corporate Governance Committee's mandate and responsibilities relating to nomination of directors are detailed in the Compensation and Corporate Governance Committee Charter, and include:

- (a) to recommend to the Board the criteria for Board membership. In making its recommendation, the committee considers the competencies and skills that the Board, as a whole, should possess and the competencies and skills of each current director. The committee reviews with the Board, on an annual basis, the requisite skills and criteria for Board members as well as the composition and size of the Board as a whole in order to ensure that the Board has the requisite expertise, that its membership consists of persons with sufficiently diverse and independent backgrounds, and that its membership consists of an appropriate mix of inside, outside and independent directors;
- (b) to identify and recommend to the Board individuals qualified to become Board members, consistent with criteria approved by the Board. The committee also recommends to the Board the nominees for election as directors at any meeting of Shareholders, as applicable, and the persons to be appointed by the Board to fill any vacancies on the Board. The committee may adopt procedures regarding director candidates proposed by the Shareholders;
- (c) to recommend to the Board corporate governance and ethics principles and policies that are applicable to the Company. The committee monitors legislation, regulatory policies and best industry practices dealing with corporate governance and, from time to time as it deems appropriate, reviews and reassesses the adequacy of the Company's corporate governance principles and practices and recommend any proposed changes to the Board;
- (d) to consider questions of independence and possible conflicts of interest of members of the Board and of senior managers and make recommendations regarding such matters to the Board, including the criteria for determining director independence;
- (e) to annually recommend assignments to committees of the Board, including recommendations as to chairmen of committees of the Board, review and make recommendations to the Board concerning the types, duties, functions, size and operation of committees of the Board, review the adequacy of all of the Board committees' charters and make recommendations to the Board for any changes to such charters;
- (f) to annually oversee evaluation of the Board and its committees to determine whether the Board, its members and its committees are functioning effectively; and to determine the nature of evaluation, supervise the conduct of evaluation and prepare an assessment of performance of the Board and its committees, which evaluations are to be discussed with the Board;
- (g) to determine the appropriate compensation necessary to retain and motivate the directors and the president and CEO, and to advise the Board accordingly;
- (h) to manage Board and committee succession planning; and
- (i) to monitor communications with Shareholders regarding matters of corporate governance.

### **Other Board Committees**

The Board has no committees other than the Audit Committee and the Compensation and Corporate Governance Committee.

### **Assessments**

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees. This function is carried out by the Compensation and Corporate Governance Committee whose evaluations and assessments are used in connection with its duty of evaluating and recommending persons as nominees for the position of director of the Company.

## STATEMENT OF EXECUTIVE COMPENSATION

### Named Executive Officers

In this section “Named Executive Officer” or “NEO” means the Chief Executive Officer (the “**CEO**”), the Chief Financial Officer (“**CFO**”) and each of the three (3) most highly compensated executive officers, other than the CEO and CFO, who were serving as executive officers at the end of the most recently completed financial year and whose total compensation was more than \$150,000, as well as any additional individuals for whom disclosure would have been provided except that the individual was not serving as an executive officer of the Company at the end of the most recently completed financial year.

### Compensation Discussion and Analysis

#### *Compensation Governance*

The Board has established a Compensation and Corporate Governance Committee, whose function, generally, is to assist the Board in carrying out its responsibilities relating to executive and director compensation, including reviewing and recommending director compensation, overseeing the Company’s base compensation structure and equity-based compensation programs, recommending compensation of the Company’s officers and employees, and evaluating the performance of officers generally and in light of annual goals and objectives, as further discussed above under “*Statement of Corporate Governance – Compensation and Corporate Governance Committee*”. The Board assumes responsibility for reviewing and monitoring the long-range compensation strategy for the senior management of the Company although the Compensation and Corporate Governance Committee guides it in this role. The Company’s Compensation and Corporate Governance Committee receives independent competitive market information on compensation levels for executives.

The current members of the Compensation and Corporate Governance Committee are Juan David Uribe and Ernesto Bendezu.

For a description of the direct experience that is relevant to their responsibilities in executive compensation, and the skills and experience that enable Messrs. Uribe and Bendezu to make decisions on the suitability of the Company’s compensation and governance policies and practices, see “*Audit Committee – Relevant Education and Experience*” above.

The Compensation and Corporate Governance Committee’s mandate and responsibilities are detailed in the Compensation and Corporate Governance Committee Charter, and include:

- (a) recommending to the Board the form and amount of compensation to be paid by the Company to directors for service on the Board and on Board committees. The committee reviews director compensation at least annually;
- (b) an annual review of the Company’s base compensation structure and the Company’s incentive compensation, stock option and other equity-based compensation programs and recommendation of changes in or additions to such structure and plans to the Board as needed;
- (c) recommending to the Board the annual base compensation of the Company’s executive officers and senior managers (collectively the “**Officers**”);
- (d) recommending to the Board the range of increase or decrease in the annual base compensation for non- Officer personnel providing services to the Company;

- (e) recommending to the Board about annual corporate goals and objectives under any incentive compensation plan adopted by the Company for Officers and non-Officer personnel providing services to the Company, and establish incentive compensation participation levels for Officers and non-officer personnel providing services to the Company under any such incentive compensation plan. In determining the incentive component of compensation, the Compensation and Corporate Governance Committee will consider the Company's performance and relative shareholder return, the values of similar incentive at comparable companies and the awards given in past years;
- (f) evaluating the performance of officers generally and in light of annual corporate goals and objectives under any incentive compensation plan and recommendation to the Board of incentive compensation payable to Officers under any such incentive compensation plan;
- (g) a periodic review with the Chairman and Chief Executive Officer of their assessments of corporate officers and senior managers and succession plans, and make recommendations to the Board regarding appointment of officers and senior managers;
- (h) overseeing the performance evaluation and incentive compensation of non-Officer personnel providing services to the Company; and
- (i) administration of the Company's stock option and other equity-based compensation plans and determining the annual grants of stock options and other equity-based compensation.

### ***Philosophy and Objectives***

Compensation for senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including to:

- (a) attract and retain qualified and effective executives;
- (b) assist in motivating the short and long-term performance of these executives; and
- (c) align their interests with those of the Shareholders.

In compensating its senior management, the Company has employed a combination of base salary, performance-based cash incentives and equity participation through the New Share Option Plan.

### ***Base Salary***

In the Board's view, paying base salaries which are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. Base salaries for executive officers are evaluated against the responsibilities inherent in the position held and each individual's experience and past performance, as well as by reference to the competitive marketplace for management talent at other mineral exploration companies of similar stage of development, market capitalization and size.

### ***Performance-Based Cash Incentives***

The Company's objective is to achieve certain strategic objectives and milestones. Although the Company currently does not have a formal performance-based cash incentive program in place, in the past the Board has approved executive bonus compensation when the Company has met its strategic objectives and milestones and when sufficient cash resources were available for the granting of bonuses, based on recommendations of the Compensation and Corporate Governance Committee.

### ***Equity Participation***

The Company believes that encouraging its executives and employees to become Shareholders is the best way of aligning their interests with those of its Shareholders. Equity participation is proposed to be accomplished through the New Share Option Plan.

The Company is seeking shareholder approval of the New Option Plan at the Meeting. The New Option Plan will replace the Existing Option Plan. A summary of the New Option Plan is set out under “*Particulars of Other Matters to be Acted Upon – Adoption of New Share Option Plan*” above and should be read in conjunction with the full text of the New Share Option Plan, which is appended hereto as Schedule A.

### ***Actions, Decisions or Policies Made After August 31, 2022***

Given the evolving nature of the Company’s business, the Board continues to review and redesign the overall compensation plan for senior management, so as to continue to address the objectives identified above. No actions, decisions or policies have been made since August 31, 2022 that could affect a reasonable person’s understanding of NEO compensation for the financial year ended August 31, 2022.

### ***Risk Assessment***

Neither the Company nor the Compensation and Corporate Governance Committee has undertaken a formal evaluation of the implications of the risks associated with the Company’s compensation policies and practices. Risk management is a consideration of the Compensation and Corporate Governance Committee when reviewing compensation policies and the Company and the Corporate Governance and Compensation Committee does not believe that the Company’s compensation policies and practices result in unnecessary or inappropriate risk taking, including risks that are likely to have a material adverse effect on the Company.

### ***Hedging Policy***

Although the Company has not adopted a policy disallowing NEOs and directors from purchasing financial instruments designed to hedge or offset a decrease in market value of Common Shares or any other securities of the Company granted as compensation or held, directly or indirectly, by an NEO or director, the Company is not aware of any NEOs or directors having purchased such financial instruments.

### ***Summary Compensation Table***

The following table sets out information concerning the compensation earned or awarded to the NEOs during the Company’s two most recently completed financial years ended August 31, 2022 and 2021

Notes:

1. Financial years ended August 31.
2. Mr. Bravo was appointed as CFO on November 1, 2020 and replaced Ms. Barbotto, who was appointed as CFO on September 1, 2019. Ms. Barbotto resigned as CFO of the company on October 30, 2020.

The fair value of the options in the above table is estimated using the Black-Scholes option pricing model, as is standard practice. However, option pricing models require the input of highly subjective assumptions, particularly as to the expected volatility of the stock. Changes in these assumptions can materially affect the fair value estimate and therefore it is management's view that the existing models may not provide a single reliable measure of the fair value of the Company's stock option grants. The Company uses an option-pricing model because there is no market for which options may be freely traded and in any event the Company does not allow its employee options to be traded. Readers are cautioned not to assume that the value derived from the model is the value that an optionee might receive if the options were freely-traded, nor assume that these amounts are the same as those reported by the employee as income received for tax purposes. For financial statement purposes, the fair value of options is charged to the statement of operations rateably over the vesting period.

#### **Section 2.2 Implementation and Administration of the Plan.**

- (1) The Plan shall be administered and interpreted by the Board. No provision herein shall prevent the Board from adopting any additional Security Based Compensation Plans or other compensation arrangements, subject to any required approvals.
- (2) Subject to Article 5 and any applicable rules of the Exchange, the Board may, from time to time, as it may deem expedient, adopt, amend and rescind rules and regulations or vary

the terms of this Plan and/or any Option hereunder for carrying out the provisions and purposes of the Plan and/or to address tax or other requirements of any applicable jurisdiction.

- (3) Subject to the provisions of this Plan, the Board is authorized, in its sole discretion, to make such determinations under, and such interpretations of, and take such steps and actions in connection with, the proper administration and operations of the Plan as it may deem necessary or advisable. The Board may delegate to Officers or other managers of the Company, or committees thereof, the authority, subject to such terms as the Board shall determine, to perform such functions, in whole or in part. Any such delegation by the Board may be revoked at any time at the Board's sole discretion. The interpretation, administration, construction and application of the Plan and any provisions hereof made by the Board, or by any Officer, manager, committee or any other Person to which the Board delegated authority to perform such functions, shall be final and binding on the Company and all Eligible Participants.
- (4) No member of the Board or any Person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan or any Option granted hereunder. Members of the Board or and any person acting at the direction or on behalf of the Board, shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action or determination.
- (5) The Plan shall not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issuance of any Shares or any other securities in the capital of the Company. Neither the Company, nor any Directors, Officers, Employees, shareholders or agents of the Company shall be liable for anything done or omitted to be done by such Person or any other Person with respect to the price, time, quantity or other conditions and circumstances of the issuance of Shares hereunder, or in any other manner related to the Plan. For greater certainty, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no additional Options will be granted to such Participant to compensate for a downward fluctuation in the price of the Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Company does not assume and shall not have responsibility for the income or other tax consequences resulting to any Participant and each Participant is advised to consult with his or her own independent tax advisors.
- (2) Participants (and their legal representatives) shall have no legal or equitable right, claim, or interest in any specific property or asset of the Company. - (2) The maximum number of Shares issuable at any time pursuant to outstanding Options under this Plan, which includes outstanding options under the Company's former share option plan (the "**Previous Plan**"), in aggregate with any other Security Based Compensation, shall be equal to 10% of the Outstanding Issue, as measured as at the date of any Option grant.
- (3) No Option that can be settled in Shares issued from treasury may be granted if such grant would have the effect of causing the total number of Shares subject to such Option to exceed the limitations herein with respect to the total percentage of the Outstanding Issue reserved for issuance pursuant to the settlement of Options, including with respect to the percentage in the above Section 2.4(2) and the Exchange Share Limits.
- (4) The Plan is an "evergreen" plan, meaning Shares covered by Options which have been exercised or settled, as applicable, and Options which expire or are forfeited, surrendered, cancelled or otherwise terminated or lapse for any reason without having been exercised, will be available for subsequent Option grants under the Plan and the number of Options that may be granted under the Plan increases if the total number of issued and outstanding Shares increases. Shares will not be deemed to have been issued pursuant to the Plan with respect to any portion of an Option that is settled in cash.

#### **Section 2.5 Limits with Respect to other Security Based Compensation, Insiders, Individual Limits and Annual Grant Limits.**

- (1) The maximum number of Shares issuable to Eligible Participants who are Insiders of the Company (as a group), at any time, under this Plan, in aggregate with any other Security Based Compensation, shall not exceed 10% of the Outstanding Issue from time to time (unless the Company has obtained the requisite disinterested shareholder approval in accordance with the Exchange Policy).

Any Option granted under the Plan shall be subject to the requirement that, if at any time the Company shall determine that the listing, registration or qualification of the Shares subject to such Option, if applicable, upon any stock exchange or under any law or regulation of any jurisdiction, or the consent or approval of any stock exchange or any governmental or regulatory body, is necessary as a condition of, or in connection with, the grant of such Options or exercise of any Option or the issuance or purchase of Shares thereunder, if applicable, such Option may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration, qualification, consent or approval.

### **Section 2.7 NEX**

If the Company is on notice to have its listing transferred to NEX, it shall not be permitted to grant Options unless it has publicly disclosed that it is on notice to have its listing transferred to NEX.

### **Section 3.4 Option Term.**

- (1) The Board shall determine, at the time of granting the particular Option, the period during which the Option is exercisable, which shall not be more than 10 years from the date the Option is granted ("**Option Term**").
- (2) Should the expiration date for an Option fall within a Blackout Period or within 10 Business Days following the expiration of a Blackout Period, such expiration date shall be automatically extended to all Options under this Plan under the same terms and conditions without any further act or formality to that date which is the 10<sup>th</sup> Business Day after the end of the Blackout Period, such 10<sup>th</sup> Business Day to be considered the expiration date for such Option for all purposes under the Plan, provided that the automatic extension of an Option will not be permitted where the Participant or the Company is subject to a cease trade order (or similar order under securities laws) in respect of the Company's securities.

Prior to its expiration or earlier termination in accordance with the Plan, each Option shall be exercisable at such time or times and/or pursuant to the achievement of such Performance Criteria and/or other vesting conditions as the Board may determine in its sole discretion at the time of granting the particular Option. For greater certainty, any exercise of Options by a Participant shall be made in accordance with any insider trading policies implemented by the Company.

### **Section 3.6 Method of Exercise and Payment of Purchase Price.**

- (1) Subject to the provisions of the Plan, an Option granted under the Plan shall be exercisable (from time to time as provided in Section 3.5 hereof) by the Participant (or by the liquidator, executor or administrator, as the case may be, of the estate of the Participant) by delivering a fully completed Exercise Notice to the Company at its registered office or give notice in such other manner as the Company may from time to time designate, which notice shall specify the number of Shares in respect of which the Option is being exercised and shall be accompanied by full payment, by certified cheque, wire transfer or bank draft or any other form of payment deemed acceptable by the Board of the purchase price for the number of Shares specified therein and, if required by Section 6.1, the amount necessary to satisfy any taxes.

### **Section 4.1 General Conditions Applicable to Options.**

Each Option, as applicable, shall be subject to the following conditions:

- (1) **Vesting Period.** Each Option granted hereunder shall vest in accordance with the terms of the Option Agreement entered into in respect of such Option, and in accordance with the Exchange Policy. The Board has the right to accelerate the date upon which any Option becomes exercisable notwithstanding the vesting schedule set forth for such Option, regardless of any adverse or potentially adverse tax consequence resulting from such acceleration.
- (2) **Employment.** Notwithstanding any express or implied term of this Plan to the contrary, the granting of an Option pursuant to the Plan shall in no way be construed as a guarantee by the Company to the Participant of employment or another service relationship with the Company. The granting of an Option to a Participant shall not impose upon the Company any obligation to retain the Participant in its employ or service in any capacity. Nothing contained in this Plan or in any Option granted under this Plan shall interfere in any way with the rights of the Company in connection with the employment, retention or termination of any such Participant. The loss of existing or potential profit in Shares underlying Options granted under this Plan shall not constitute an element of damages in the event of termination of a Participant's employment or service in any office or otherwise.
- (3) **Grant of Options.** Eligibility to participate in this Plan does not confer upon any Eligible Participant any right to be granted Options pursuant to this Plan. Granting Options to any Eligible Participant does not confer upon any Eligible Participant the right to receive nor preclude such Eligible Participant from receiving any additional Options at any time. The extent to which any Eligible Participant is entitled to be granted Options pursuant to this Plan will be determined in the sole discretion of the Board. Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Eligible Participant's relationship or employment with the Company.
- (4) **Rights as a Shareholder.** Neither the Participant nor such Participant's personal representatives or legatees shall have any rights whatsoever as shareholder in respect of any Shares covered by such Participant's Options by reason of the grant of such Options until such Options have been duly exercised, as applicable, and settled and Shares have been issued in respect thereof.
- (5) **Non-Transferrability and Assignability Options.** Each Option granted under the Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether voluntarily or by operation of law, except by will or by the laws of succession of the domicile of the deceased Participant. No Option granted hereunder shall be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of on pain of nullity.
- (6) **Participant's Entitlement.** Except as otherwise provided in this Plan or unless the Board permits otherwise, upon any Subsidiary ceasing to be a Subsidiary, Options previously

granted under this Plan that, at the time of such change, are held by a Person who is a Director, Officer, Employee or Consultant of such Subsidiary and not of Batero Gold Corp. itself, whether or not then exercisable, shall automatically terminate on the date of such change.

#### **Section 4.2 General Conditions Applicable to Options.**

Each Option shall be subject to the following conditions:

- (1) **Termination for Cause.** Upon a Participant ceasing to be an Eligible Participant for cause, any vested or unvested Option granted to such Participant shall terminate automatically and become void immediately. For the purposes of the Plan, the determination by the Company that the Participant was discharged for cause shall be binding on the Participant.
- (2) **Termination not for Cause.** Upon a Participant ceasing to be an Eligible Participant as a result of his or her employment or service relationship with the Company or a Subsidiary being terminated without cause, (i) any unvested Option granted to such Participant shall terminate and become void immediately and (ii) any vested Option granted to such Participant may be exercised by such Participant. Unless otherwise determined by the Board, in its sole discretion, such Option shall only be exercisable within the earlier of 30 days after the Termination Date, or the expiry date of the Option set forth in the Option Agreement, after which the Option will expire. Notwithstanding the above, such Option shall only be exercisable within 12 months after the Participant ceases to be an Eligible Participant.
- (3) **Resignation.** Upon a Participant ceasing to be an Eligible Participant as a result of his or her resignation from the Company or a Subsidiary, (i) each unvested Option granted to such Participant shall terminate and become void immediately upon resignation and (ii) unless otherwise determined by the Board, in its sole discretion, each vested Option granted to such Participant will cease to be exercisable on the earlier of the 30 days following the Termination Date and the expiry date of the Option set forth in the Option Agreement, after which the Option will expire. Notwithstanding the above, such Option shall only be exercisable within 12 months after the Participant ceasing to be an Eligible Participant.
- (4) **Permanent Disability/Retirement.** Upon a Participant ceasing to be an Eligible Participant by reason of retirement (in accordance with any retirement policy implemented by the Company from time to time) or permanent disability, (i) any unvested Option shall terminate and become void immediately, and (ii) any vested Option will cease to be exercisable on the earlier of the 90 days from the date of retirement or the date on which the Participant ceases his or her employment or service relationship with the Company or any Subsidiary by reason of permanent disability, and the expiry date of the Option set forth in the Option Agreement, after which the Option will expire.

### **ARTICLE 6 MISCELLANEOUS**

#### **Section 6.1 Tax Withholding.**

- (1) Notwithstanding any other provision of this Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) under the Plan shall be made net of such withholdings, including in respect of applicable taxes and source deductions, as the Company determines, provided that such withholdings are in compliance with the Exchange Policy. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, the withholding may be satisfied in such manner as the Company determines, including by (a) having the Participant elect to have the appropriate number of such Shares sold by the Company, the Company's transfer agent and registrar or any trustee appointed by the Company pursuant to **Error! Reference source not found.** hereof, on behalf of and as agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being delivered to the Company, which will in turn remit such amounts to the appropriate governmental authorities, (b) requiring a Participant, as a condition to exercise of an Option, to pay to the Company any applicable withholdings related to the exercise of such Option where such payment is required to

remain in compliance with the Exchange Policy or (c) any other mechanism as may be required or determined by the Company as appropriate.

- (2) Notwithstanding Section 6.1(1), the applicable tax withholdings may be waived where a Participant directs in writing that a payment be made directly to the Participant's registered retirement savings plan in circumstances to which subsection 100(3) of the regulations made under the Tax Act apply.

## **Section 6.2 US Tax Compliance.**

- (1) Option Options granted to U.S. Participants are intended to be exempt from, all aspects of Section 409A. Notwithstanding any provision to the contrary, all taxes associated with participation in the Plan, including any liability imposed by Section 409A, shall be borne by the U.S. Participant.
- (2) For purposes of interpreting and applying the provisions of any Option to Section 409A, the term "termination of employment" or similar phrase will be interpreted to mean a "separation from service," as defined under Section 409A, provided, however, that with respect to an Option subject to the Tax Act, if the Tax Act requires a complete termination of the employment relationship to receive the intended tax treatment, then "termination of employment" will be interpreted to only include a complete termination of the employment relationship.
- (3) If payment under an Option subject to Section 409A is in connection with the U.S. Participant's separation from service, and at the time of the separation from service the Participant is subject to the U.S. Tax Code and is considered a "specified employee" (within the meaning of Section 409A), then any payment that would otherwise be payable during the six-month period following the separation from service will be delayed until after the expiration of the six-month period, to the extent necessary to avoid taxes and penalties under Section 409A, provided that any amounts that would have been paid during the six-month period may be paid in a single lump sum on the first day of the seventh month following the separation from service.

## **Section 6.3 Clawback.**

Notwithstanding any other provisions in this Plan, any Option which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or stock exchange listing requirement). Without limiting the generality of the foregoing, the Board may provide in any case that outstanding Options (whether or not vested or exercisable) and the proceeds from the exercise or disposition of Options or Shares acquired under Options will be subject to forfeiture and disgorgement to the Company, with interest and other related earnings, if the Participant to whom the Option was granted violates (i) a non-competition, non-solicitation, confidentiality or other restrictive covenant by which he or she is bound, or (ii) any policy adopted by the Company applicable to the Participant that provides for forfeiture or disgorgement with respect to incentive compensation that includes Options under the Plan. In addition, the Board may require forfeiture and disgorgement to the Company of outstanding Options and the proceeds from the exercise or disposition of Options or Shares acquired under Options, with interest and other related earnings, to the extent required by law or applicable stock exchange listing standards, including any related policy adopted by the Company. Each Participant, by accepting or being deemed to have accepted an Option under the Plan, agrees to cooperate fully with the Board, and to cause any and all permitted transferees of the Participant to cooperate fully with the Board, to effectuate any

forfeiture or disgorgement required hereunder. Neither the Board nor the Company nor any other person, other than the Participant and his or her permitted transferees, if any, will be responsible for any adverse tax or other consequences to a Participant or his or her permitted transferees, if any, that may arise in connection with this Section 6.3.

- (4) The Company shall have no obligation to issue any Shares pursuant to this Plan unless upon official notice of issuance such Shares shall have been duly listed with the Exchange. Shares issued, sold or delivered to Participants under the Plan may be subject to limitations on sale or resale under applicable securities laws.
- (5) If Shares cannot be issued to a Participant upon the exercise of an Option due to legal or regulatory restrictions, the obligation of the Company to issue such Shares shall terminate and any funds paid to the Company in connection with the exercise of such Option will be returned to the applicable Participant as soon as practicable.

#### **Section 6.5 Reorganization of the Company.**

The existence of any Options shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, reclassification, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

#### **Section 6.7 No Fractional Shares.**

No fractional Shares shall be issued upon the exercise or vesting of any Option granted under the Plan and, accordingly, if a Participant would become entitled to a fractional Share upon the exercise or settlement of such Option, or from an adjustment permitted by the terms of this Plan, such Participant shall only have the right to purchase or receive, as the case may be, the next lowest whole number of Shares, and no payment or other adjustment will be made with respect to the fractional interest so disregarded.
